

Following the COVID-19 pandemic, we had to rethink our way to welcoming you while respecting government protocol to ensure your safety and maintaining our quality of service and hospitality.

Here are some of the measures implemented in the Hotel Nude Paris:

## **INTENSIFICATION OF OUR HEALTH CHARTER**

- Reinforced cleaning and disinfection protocol in common areas and in rooms
- Using cleansers virucidal
- Time lapse for ventilation and non-presence of guest in the room
- Cleaning service on request to avoid contact

---

## **IMPLEMENTATION OF PREVENTIVE MEASURES**

- Our team is trained in barrier gestures and ensures respect for others
- Mandatory mask for the team and for guest
- Hydro-alcoholic gel available
- Respect of safety distances
- Plexiglass window at the front desk

---

## **ADAPTATION OF OUR OFFER**

- Pre-check-in before your arrival
- Contactless check-in from your smartphone
- Payment by credit card favoured; TPE disinfected after each customer use
- Invoice send by e-mail
- Buffet breakfast momentarily suspended
- Breakfast served in your room or at your table in the breakfast room

Feel free to contact us if you have any question on this subject,  
we will be delighted to answer.

Looking forward to welcoming you !
